Sir:

If I understand clearly it will be necessary for me to get an apportionment from the fund "Miscellaneous Receipts, Class 4" before I can expend same.

If this is the case please allot me \$500.00 from this fund to take care of subscriptions, etc. during the fiscal year 1918.

Yours very truly,

  
Superintendent.

The Honorable  
Commissioner of Indian Affairs,  
Washington, D. C.

Sir:

I respectfully request that I be apportioned \$108.00 from the fund "Indian Moneys Proceeds Labor, Carlisle School" to take care of the 10% increase in the positions authorized under this fund. There are three positions paying \$540.00, \$300.00 and \$240.00 per annum.

This request is made on account of an exception to my cash account wherein we paid this increase from the appropriation "Increased Compensation Indian Service, 1918". No information on this point was ever received from the Office, and as no allotment was made from "Indian Moneys Proceeds Labor" to take care of the increase it was paid from "Increased Compensation Indian Service, 1918", of which appropriation there were sufficient funds allotted.

Your early attention to this matter will be appreciated.

Yours very truly,

*John Francis Jr.*  
Superintendent.
