DEPARTMENT OF THE INTERIOR

UNITED STATES INDIAN SCHOOL

CARLISLE, PA.

June 28, 1918.

The Honorable
Commissioner of Indian Affairs,
Washington, D. C.

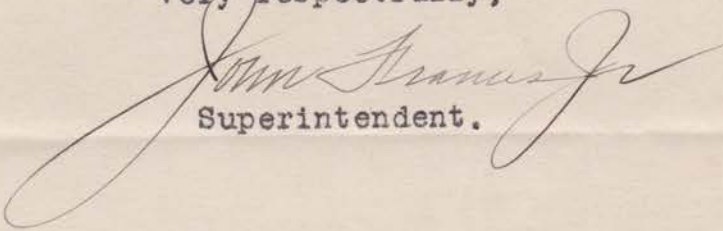

Sir:

FILED BY C. P. F.

Complying with the request as contained in Office letter of June 13, 1918, relative to our appropriation of \$15,000.00 for repairs and improvements at this school, I am enclosing herewith statements from the several departments setting forth the repairs and improvements that are desired for the fiscal year 1919.

I have to advise that the buildings at this school are in constant need of repairs, as most of them are very old. We will, therefore, need all of the \$15,000.00 of the appropriation. Purchase of the material for this purpose can be handled by me in the open market.

Very respectfully,

Superintendent.
