My Friend:

Your letter of December 31, 1914, has been received but as you have failed to state the name of your Superintendent who has your money in charge, the Office is unable to take action upon your request.

Since it appears to be necessary to refer this matter to your Superintendent you should write stating your need for funds and ask him to submit your request to the Office, making appropriate recommendations. When it is received, the matter will be given prompt attention.
