CARLISLE, PA.

April  
Twenty-Second,  
1 9 1 8

Commissioner of Indian Affairs,  
Washington, D. C.

Sir:

I have the honor to invite your attention to the case of Dana Black, a student of this school from the Cantonment Agency, Oklahoma. Dana has been at this school for one year and has expended approximately \$98. of a Hundred Dollars placed to his credit by Superintendent Daniels.

Superintendent Daniels advises me that Dana has plenty of money to his credit and in the past has been somewhat of a spender.

It will be seen that he has been held down to the regulation amount for nearly a year. He now is in a position, however, where he has practically no money left and he wishes to have his Superintendent transfer him some more here.

In view of the circumstances of this particular case and the fact that this boy is evidently learning to conserve his funds and to avoid holding down on him too hard, I recommend that Superintendent Daniels be authorized to transfer me Fifty Dollars to carry Dana Black until the end of the year.

Sincerely yours,

JF-E
