My dear Mr. Dortch:-

I intended to ask you, while recently in Washington, concerning the status of the Carlisle appropriation for the year 1910-11 as recommended by your Office. The appropriation lists for the next year are probably all made up and have been sent to the Secretary's Office, but I was anxious to know just how far your Office went in the matter of recommendations for Carlisle. You will probably recall that I asked for additional money for an electric light plant and for the improvement of the heating system.

I shall appreciate any information which you can give me concerning this matter.

Sincerely yours,

*M. Friedman*  
Superintendent.
