CARLISLE

Mr. John Francis, Jr.,
Sup't Carlisle School.

My dear Mr. Francis:

With reference to the Appropriation Act for 1919, your attention is called to the item of \$15,000 for repairs and improvements at your School, and it is desired that you forward to this Office at an early date a statement setting forth such repairs and improvements as are desired by you.

In this connection you are informed that owing to the seriousness of the war conditions, only such repairs and improvements will be considered that are absolutely necessary to the operations of your School, and therefore, this should be borne in mind by you in forwarding requests for authority covering the proposed repairs and improvements, and you should also state if they can be handled by you in the open market.

Very truly yours,

Signed C. F. Hauke
Acting Assistant Commissioner.
