Dear Sir:-

Our statement for \$422.79 for shipment of Woolens to you, November 8 and 10, was returned to us this day with a memorandum of your Chief Clerk which reads as follows:- " The claim has been forwarded to Washington for approval and action, and upon receipt of the same prompt settlement will be made."

These cloths were sold at a very close NET price, and we would esteem it a favor, more especially as we are quite short of funds, if you would ask the Department at Washington to approve the Claim promptly and make settlement therefore.

Appreciating your kind attention, we remain,

Very truly yours,
