Sir:-

I transmit herewith a letter from Miss Susie Pancho, a returned student from this school, who now lives at Cubero, New Mexico, together with a blank which she has transmitted for a certain indebtedness amounting to \$75.45, which it seems is due her father for services during the Apache Indian Raid of May and June, 1895. I am sending this to your office as the only way I know of bringing this to the attention of the proper authorities for settlement. As the girl's letter indicates, her father is in need, and I hope something can be done for him.

Very respectfully,

M. J. Quinn
Superintendent.
