Commissioner of Indian Affairs

Washington D. C.

Sir.

I can

not understand why my claim for final payment on contract for hospital building at Indian School Carlisle Pa has not yet been adjusted. In referring to your letter of Sept. 20th I find you ask for information in regards to delay in completing same. Which information was furnished by the superintendent and by myself on Sept. 21st, which was correct in every detail, therefore I can not understand why it should be delayed so long, please let me know if there is any more information that you may need to hurry the payment of same along I will gladly furnish same. I need the money, I consider that the same is now over due by 30 days.
