Dear Sir:-

I enclose herewith, my bills numbered as above, covering shipments from the Indian Warehouse, Chicago to the Carlisle Schools in 1904

From the way-bills, and my statements of billing, I am unable to properly classify the articles, on account of the indistinct, and illegible writing.

Is it therefore, not possible for you, to furnish me a copy of the Bills of Lading, or such a list, that will enable me to make a correct voucher.
