Mr. O. H. Lipps,  
Sup'r. in Charge, Carlisle School.

My dear Mr. Lipps:

Referring to enclosed papers from the Gettysburg and Harrisburg Railroad Company, you are advised that this Office believes you should see that the storage charges in this case are paid. You are requested to take the matter up with the consignors, and see that they pay these bills.

CARLISLE

In the matter of freight charges, which should be prepaid, while it is true as you say in the enclosed letter, that it is not your fault that they are not in all cases actually prepaid, yet it is also true that the railway company is in no way to blame and should be protected. You are therefore requested to accept such shipments from the railroad company and hold up payment on the invoices therefor until you receive from the consignor a receipted bill for the freight charges.

Very truly yours,

(Signed) E. B. Meritt
