To the Honorable,
Commissioner of Indian Affairs,
Washington, D. C.

Sir:

I have the honor to forward herewith memoranda in
quintuplicate of agreements entered into with the Carlisle
Gas and Water Company for the furnishing of electric
light for lighting buildings, for six arc lights for light-
ing the school grounds, and for the water supply for the
ensuing year.

*see Contract 18026 for
Water and Electric Light*

Very respectfully,

M. Friedman
Superintendent.

This is a duplicate } see Electric Light and Water Contract combined

part, and the UNITED STATES INDIAN SCHOOL AT CARLISLE, Pennsylvania, by Moses Friedman, Superintendent, with the approval of the Secretary of the Interior for the United States of America, party of the second part, witnesseth:-

THE CARLISLE GAS & WATER COMPANY agrees to furnish from its line of water mains, water for all purposes of the United States Indian School at Carlisle, Pennsylvania, at the rate of three and one-third cents for each and every one thousand gallons of water used, as registered by appropriate meters to be furnished, put in and maintained by the said Corporation on the pipe now entering, also to enter the grounds of the said Indian School.

In consideration whereof the United States Indian School, Carlisle, Pennsylvania, agrees to pay to the said Corporation of The Carlisle Gas & Water Company the sum of three and one-third cents for each and every one thousand gallons of water used at the said Indian School, and as registered by the meters to be put in by the Carlisle Gas & Water Company as above specified, and will make payment therefor according to the said rate quarterly or within ten days after a bill for the previous quarter has been rendered, - the quarter to run with the calendar.

If at any time a difference of opinion should arise as to the efficiency of the said water meters, it shall be determined by a thorough inspection of said water meters by a competent expert at the cost of the objecting party if, on inspection it shall be found that the meters are practically correct; otherwise at the cost of the other party to this agreement.

Memorandum of agreement between THE CARLISLE GAS & WATER COMPANY OF CARLISLE, CUMBERLAND COUNTY, PENNSYLVANIA, a CORPORATION duly chartered under the laws of Pennsylvania, -party of the first part, and the UNITED STATES INDIAN SCHOOL at Carlisle, Pennsylvania by Moses Friedman, Superintendent, with the approval of the Secretary of the Interior for the United States of America, party of the second part, witnesseth:-

THE CARLISLE GAS & WATER COMPANY agrees to furnish from its line of water mains, water for all purposes of the United States Indian School at Carlisle, Pennsylvania, at the rate of three and one-third cents for each and every one thousand gallons of water used, as registered by appropriate meters to be furnished, put in and maintained by the said Corporation on the pipe now entering, also to enter the grounds of the said Indian School.

In consideration whereof the United States Indian School, Carlisle, Pennsylvania, agrees to pay to the said Corporation of The Carlisle Gas & Water Company the sum of three and one-third cents for each and every one thousand gallons of water used at the said Indian School, and as registered by the meters to be put in by the Carlisle Gas & Water Company as above specified, and will make payment therefor according to the said rate quarterly or within ten days after a bill for the previous quarter has been rendered, - the quarter to run with the calendar.

If at any time a difference of opinion should arise as to the efficiency of the said water meters, it shall be determined by a thorough inspection of said water meters by a competent expert at the cost of the objecting party if, on inspection it shall be found that the meters are practically correct; otherwise at the cost of the other party to this agreement.

Memorandum of agreement between THE CARLISLE GAS & WATER COMPANY OF CARLISLE, CUMBERLAND COUNTY, PENNSYLVANIA, a CORPORATION duly chartered under the laws of Pennsylvania, -party of the first part, and the UNITED STATES INDIAN SCHOOL at Carlisle, Pennsylvania by Moses Friedman, Superintendent, with the approval of the Secretary of the Interior for the United States of America, party of the second part, witnesseth:-

THE CARLISLE GAS & WATER COMPANY agrees to furnish from its line of water mains, water for all purposes of the United States Indian School at Carlisle, Pennsylvania, at the rate of three and one-third cents for each and every one thousand gallons of water used, as registered by appropriate meters to be furnished, put in and maintained by the said Corporation on the pipe now entering, also to enter the grounds of the said Indian School.

In consideration whereof the United States Indian School, Carlisle, Pennsylvania, agrees to pay to the said Corporation of The Carlisle Gas & Water Company the sum of three and one-third cents for each and every one thousand gallons of water used at the said Indian School, and as registered by the meters to be put in by the Carlisle Gas & Water Company as above specified, and will make payment therefor according to the said rate quarterly or within ten days after a bill for the previous quarter has been rendered, - the quarter to run with the calendar.

Failure to furnish a full supply of water from time to time resulting from break-downs, floods, or other causes, beyond the control of the Carlisle Gas & Water Company, shall not subject the said Company to any damage it might otherwise be liable for not complying with this agreement.

It is mutually understood and agreed by and between the parties hereto that this agreement shall remain in full force and effect until the close of the fiscal year ending June 30, 1912. unless previously terminated by Act of Congress.

In testimony whereof the Carlisle Gas & Water Company has caused its corporate name to be signed by its President, and its corporate seal attested by its Secretary to be hereto affixed and the United States Indian School at Carlisle, Pennsylvania, has caused its name to be hereto signed by Moses Friedman, Superintendent, this first day of July, 1911.
