Mr. John Francis, Jr.,

MAY -2 1918

Supt. Carlisle School.

My dear Mr. Francis:

As indicated in the inclosed copy of my letter of this date to Miss Sarah Celia Monteith, I shall be pleased to receive from you one year hence any information you have, or can conveniently obtain, as to the progress of this graduate in the way of self-support and successful occupation.

I think we should extend our personal encouragement, whenever practicable, to these students who have been worthily ambitious and have completed a full course of training.

Sincerely yours,

Miss Sarah Celia Monteith,

(Through Supt. Carlisle School.)

MAY -2 1918

My dear Miss Monteith:

Since completing a course in home economics at Carlisle, a patent in fee to your allotment, No. 1472, comprising 80 acres of land, has been issued and I am enclosing to you a certificate of educational competency, believing that you are fully capable of managing your own personal affairs.

I am advised that since graduating you have become the wife of Mr. Harry Moffett, who is reported to be a young man of good business qualifications, industrious and progressive.

I congratulate you upon having so soon a home of your own in which I feel sure your training at Carlisle will be of real value. I trust the future will bring to you much happiness and full opportunity to give to the community in which you live and to all your associates the example of a beautiful and elevated home life.

I hope, also, that you and your husband will make good use of your land which seems to be quite valuable, and if possible keep it free from encumbrance.

I shall be glad to hear of your success and wish you would write me a year hence something of your plans and prospects.

Sincerely yours,

*(Signed) Cato Sells*

Commissioner.
