My dear Mr. Francis:

This is to acknowledge receipt of your letter dated April 17, 1917, relative to the leasing of Indian lands, in which you request full information and copies of the latest regulations regarding the leasing of Indian allotments.

In response you are advised that all leases are made through the office of the Superintendent having jurisdiction over the land. Where allotments are owned by minor children, the Superintendent or guardians of the children can lease their land for them. Copies of the regulations covering the leasing of allotted Indian lands for farming and grazing purposes are inclosed herewith for your information.

Very truly yours,
