The Honorable,
Commissioner of Indian Affairs,
Washington, D. C.

Sir:

Upon receipt of the Office's letter of July 26th, 1916, with reference to a report from the Superintendent of the Pine Ridge Agency to the effect that "during the past year six cases of tuberculosis in serious condition were returned to their homes on the Pine Ridge reservation from the Carlisle School with no arrangements for their future care" the Superintendent of that reservation was requested to give the names of the cases reported in order that an appropriate report could be made. I have now received a letter as follows from Superintendent Brennan:

"Answering your letter of August 2, relative to six Pine Ridge students returned to their homes from Carlisle, during the past year. We have no record of "six cases of tuberculosis in serious condition returned to their homes on the Pine Ridge reservation from the Carlisle school with no arrangements for their future care."

Very respectfully,
(Signed) O. H. Lipps
Superintendent
