My dear Mr. Friedman:

FILED BY C. P. F.

Your telegram of this date has just been handed to me, and I am very sorry to learn of Mrs. Friedman's accident. I sincerely hope that it is not a bad fracture and that everything is going as well as possible. I appreciate how hard it must come on you as well as on her. Please take my sincere best wishes for you both.

If you have some things which you wish to see me very much about and are not able to get down here next week it may be possible for me to get up there for over next Sunday. I cannot make any promises in this direction, but if you do not come here I will try to do that.

Most sincerely yours,

Acting Commissioner.
