My dear Mr. Lipps:

The receipt is acknowledged of your letter of September 28, 1914, enclosing, in accordance with the requirements of paragraph 186 of the Rules for the Indian School Service, a report regarding the health of the employees of your institution.

It appears from the report of the physician that no employee and no member of an employee's family residing on the grounds give evidence of having communicable diseases.

Very truly yours,

(Signed) E. B. Meritt

Sir:

In compliance with the requirements of paragraph 186 of the Rules for the Indian School Service, approved July 14, 1913, I directed the school physician to examine all employees with the view of determining if any of them or members of their families residing on the school grounds gave any evidence of having communicable diseases. I enclose herewith the report of the physician, stating that he has made such examination and that he has found no evidence of communicable diseases among them.

Very respectfully,

O. H. Lipps
Supervisor in Charge.
