Mr. O. H. Lipps,  
Supt. Carlisle School.

MAY -8 1916

My dear Mr. Lipps:

Receipt is acknowledged of your letter of April 29, in which you ask what disposition should be made of Albert Föster, a tubercular pupil at your school.

In reply you are advised that a hospital at which adult tuberculous patients are to be treated has recently been opened at the Winnebago Agency, and that this case may be sent either to that place or to the Sac and Fox Sanatorium, Toledo, Ia. You should correspond with the respective Superintendents, therefore, and ascertain whether they have room for the patient. The papers submitted are returned herewith.

Very truly yours,

*(Signed) C. F. Hauke*
