ADDRESS REPLY TO
"CHIEF OF BUREAU OF ANIMAL INDUSTRY,"
AND REFER TO

September 15, 1910.

Commissioner of Indian Affairs,
Department of the Interior,
Washington, D. C.

Sir:

Referring to Bureau letter of September 2d addressed to your office, I desire to inform you that the Bureau is to-day in receipt of a communication from Mr. George A. Billings, Everett, Pa., asking that the matter of administering the tuberculin test to the dairy herd at the Carlisle Indian School, Carlisle, Pa., be taken up with the Superintendent. I shall be glad to be informed of your wishes in this matter.

Very respectfully,

A. Farrington
Acting Chief of Bureau.

Tuberculosis - Carlisle

72194-10 733

Chief of Bureau of Animal Industry,
Department of Agriculture.

Sir:

This office acknowledges the receipt of Bureau letter "YY-107", of September 3, regarding the testing of the cows of the dairy herd at the Carlisle School for tuberculosis.

You are advised that this Office concurs in the request of the Superintendent that the test be applied at the earliest practicable date.

Very respectfully,

(Signed) F. H. Abbott.

Acting Commissioner.

YY-107

M

September 3, 1910.

Commissioner of Indian Affairs,
Department of the Interior,
Washington, D. C.

Sir:

The Bureau is in receipt of a communication from Superintendent M. Friedman, Carlisle, Pa., addressed to Mr. George A. Billings, Assistant Agriculturist, in which a desire is expressed to have the cows of the School herd tested for tuberculosis. Should you concur in this request a Bureau veterinarian will be detailed to apply the tuberculin test to the Indian School herd at Carlisle, Pa.

Very respectfully,

A. M. Farrington

Acting Chief of Bureau.
