FILED BY C. P. F.

Commissioner of Indian Affairs,  
Department of the Interior,  
Washington, D. C.

Sir:

Referring to your letter of January 16, in reply to Bureau letter U-291.3 of January 8, you are advised that under date of January 18, this Bureau received a request from M. Friedman, Supt., Carlisle Indian School, Carlisle, Pa., that the tuberculin test be applied to this herd by an inspector of this Bureau. Mr. Friedman is accordingly being informed today that arrangements have been made for the detail of an inspector from Washington to apply the test starting Wednesday, January 29. As is customary, the expenses of this work are to be paid by your Department.

Very respectfully,

*M. F. Farington*

Acting Chief of Bureau.

January 18, 1913.

Chief of Bureau of Animal Industry,  
Department of Agriculture,  
Washington, D. C.

Sir:-

In accordance with a letter dated January sixteenth from the Indian Office, as well as with past custom, I respectfully request that you send a veterinarian to make an inspection of our dairy herd. If convenient, I desire this inspection made at an early date. The dairy barn at this school was erected in accordance with plans and suggestions made by your Office.

Very respectfully,

*M. J. Quinn*  
Superintendent.
