Mr. O. H. Lipps,

Superintendent, Carlisle Indian School,
Carlisle, Pennsylvania.

My dear Mr. Lipps:

750
I have your letter of December 3. In view of the statement of Secretary Lane which appeared in the Washington Post of December 4, copy of which I am enclosing, it might be well to refrain from further announcement for the present. However, if you think best to give out something in harmony with this statement, I think it would be all right.

Sincerely yours,

(Signed) Cato Sells

My dear Mr. Sells:

You have probably seen something in the newspapers during the past few days regarding the controversy between Mr. Kelly and Mr. Welch over football at Carlisle. Newspapers generally are commenting on the situation here, and, after careful consideration, I believe it best to postpone indefinitely the announcement about which we talked with the Secretary a few days ago. I believe at this time it would only serve to emphasize the controversy between the coaches and, perhaps, the best plan will be to say nothing at this time. If, however, you have different views, I should be glad to receive your suggestions.

Sincerely yours,

Your letter has reached me en route to New Mexico and Arizona. It is also my intention to visit California before my return, and probably sometime during the month of August, when I shall be glad to see you.

I will advise you later of the time of my arrival and where you can find me.

Very truly yours,

Commissioner,

Honorable Cato Sells
Commissioner of Indian Affairs
Washington, D.C.

My Dear Mr Sells;

As your new appointee as Athletic Director and foot-ball Coach for the Carlisle Indian School, Carlisle Pennsylvania, I am very anxious to see you personally before entering upon my duties, as to your desires regarding Carlisle athletics.

A letter from Superintendent Lipps advises me that September 1st. will be soon enough for me to report for duty. At that time I had hoped to have all details arranged and start in actual work for the foot-ball season. Inasmuch as I am informed that you are to visit Arizona I thought possibly you had also arranged to come to California, being near the State. If so, and it is convenient, I would be pleased to have you advise me.

I remain, Sir,

Most respectfully yours.

Los Angeles, California.
