SUBJECT:

Request for re-
lease of Henry
Logan.

Superintendent,
Indian Industrial School,
Carlisle, Pennsylvania.

Sir :

Mr. Elen Eels, of the Cattaraugus Reservation, New York, now in this City, has satisfied me that his sister is extremely anxious to have her son, Henry Logan, sent home in charge of her brother, and that she is willing to pay his expenses home.

In view of the general policy of gradually eliminating the New York Indians from this institution, you will turn the boy over to his uncle and release him from the school.

Very respectfully,

C. J. Furraker
Acting Commissioner.
