Hon. Francis E. Leupp,
Commissioner of Indian Affairs,
Washington, D.C.

Dear Sir:

I hereby make application to enter one boy, a native of St. Michael, Alaska, by the name of Max Mixsooke, who is an orphan boy and one whom I have become quite interested in. As a pupil at my school at St. Michael I discovered that he had considerable talent in the handling of carpenters' tools and that he is quite mechanically inclined. He is a boy of very good habits, anxious to learn, and always obedient.

I believe that if he is admitted to the Carlisle School he will become so interested in his work that he will be willing to take it up and return to St. Michael, Alaska, where he can make a good living.

I have brought him from St. Michael at my own expense, and in my travels he has met a great number of people, who all remarked what a bright boy he was. If he is admitted to the school I give you my personal guarantee that at the

finish of his school term I will see that he is returned to
St. Michael, Alaska, or if he prefers to remain in the States,
I will act as his guardian.

Very respectfully,

Franklin Moses
