My Friend:

The Office received on June 28, 1910, a letter from you without date relative to your desire to enroll as a pupil at Carlisle School.

The Office suggests the advisability of your application for enrollment at some non-reservation school near your place of residence, and advises that, in any case, you should make your request for enrollment directly to the Superintendent of the school you select who will send you the proper application blanks.

Very respectfully,

(Signed) J. H. Dortch,
