Mr. Francis L. Lewis,  
Sault Ste Marie, Michigan.

Sir:

The Office has received your letter of September 22, 1910, asking to be allowed to enroll as a pupil at the Carlisle School, Pennsylvania.

Judging from the letter which you have written the Office thinks that you have a good enough education to get along quite well without additional training in an Indian school, and as your letter does not give any reason why you wish to go to Carlisle, the Office thinks that it is not necessary for you to go.

Very respectfully,

(Signed) F. H. Abbott,

Assistant Commissioner.

To Commissioner of Indian Affairs,  
Washington, D. C.

Dear Sir:-

Some time ago, I made an application to enroll in the Indian School at Carlisle, Pennsylvania; but in view of the fact that I am over twenty-one years of age, School Superintendent, Mr. Friedman, informed to apply to this Office for Special Permit.

Briefly: I am twenty-two years of age, member of the Ottawas of Good Hart, Emmet County, Michigan. Health and habits are very good, can also furnish the best of Reference.

And if I am admitted into the school, I do hereby voluntarily consent and agree, also obligate and bind my self to all Rules and Obligation for Carlisle Indian School.

Hoping for a favorable reply.

Yours and Oblige.

Francis L. Lewis,  
Sault Ste Marie,  
Michigan.
