Rel exclusion of
boy from Carlisle.

FOR FILE.

Hon. Robert L. Owen,
United States Senate.

Sir:

The Office has received your letter of June 24, 1911, with inclosure from Charles Geck, of Caborca, Sonora, Mexico, relative to the exclusion of his son Charles Geck from the Carlisle School, Pennsylvania.

Regarding this you are informed that it was decided to eliminate from enrollment such pupils as have access to the public schools at home, and are so situated as to be able to get their schooling without depending upon the assistance of the United States.

Since your correspondent states that there are plenty of public schools in Oklahoma at which Indians may attend, the Office believes that it has not made any mistake in dismissing him honorably from the Carlisle School.

Respectfully,

(Signed) C. F. Hauke.

Dear Sir:

I inclose herewith a letter to me from Charles Geck, of Caborca, Sonora, Mexico, - a citizen of the State of Oklahoma, relative to some effort to dismiss his son as a pupil of the Carlisle Indian School. The letter explains Mr. Geck's reasons for his apprehensions in the premises, but I presume that he has been misinformed.

I will be gratified if you will take the matter up with the school officials and advise me as to whether or not there is any reason for Mr. Geck's apprehensions.

Please return the inclosed letter with your reply.

Yours very respectfully,

1 Inclosure.
