Sir:-

Some days since I addressed a letter to your requesting information as to the requirements for the admission into the School at Carlisle Pa, no reply has been returned. Information was also asked of the Commissioner of Education for the same purpose, who replied that my communication had been referred to you, no reply has been returned to that so far as I am informed.

I enclosed a letter from Hon Thos. B. Mills of Superior Wisconsin which I presume was the reason why the former letter was addressed to you. This letter having come to hand this day it is respectfully referred to you with the request that you may consider an application for the admission of the person named.

Each

While it appears from the letter that she is not entitled to admission, I hope you may be inclined to make an exception in her case.

Mr Mills is a very reputable person of Wisconsin and feel sure that his statement is entitled to consideration and would not be made unless he believed it was warranted.

Respectfully,

Isaac Stephenson
