UNITED STATES INDIAN SCHOOL,

CARLISLE, PA.

Outing pupil.

May 21, 1912.

To the Honorable

Commissioner of Indian Affairs,

Washington, D. C.

FILED

Sir:

In reply to Office letter of May 18 relative to the matter of Adeline Boutong, an outing girl, visiting the home of Louis J. Carpenter in Washington, I beg to state that my decision denying such permission to the girl was made because of the undesirable home conditions and the character of Louis J. Carpenter, and for the protection of Adeline Boutong. The Office will no doubt recall that Louis Carpenter has been in a number of scrapes, and was expelled from Hampton, and from my own personal knowledge has brought disgrace to at least one Indian girl.

It would, consequently, be unwise to allow any girl who is a student of this school, or any other reputable girl, to be thrown into contact with him.

Very respectfully,

M. Friedman
Superintendent.

My dear Cousin:

Just received a
telegram from Mr Friel
man saying I could
not go to Washington
under any conditions.
for what reasons I do
not know. Of course
I wrote to him right

away asking him to reconsider
his decision also asking him
why I could not go down and
visit my own cousin when
so many of the pupils have
been allowed to do so at the
school. I wish you would write
him a letter also explaining
our relationship also that
I am very anxious to see you
and our capital before re-
turning west.

You do not know how many
I am that I could not be
with you this week I will
wait for an answer from
Mr Friedman and if he

Does not reconsider his dream
I will return the order for the
ticket. That is at the end
of the week. Let me know
when you leave Washington.

Lots of Love to you both

In a hurry
Adeline.

My dear Cousin.

Received a letter
from Mr. Friedman and
of course he said I could
not go. You do not know
how sorry I am because
I did want to see you
both very badly and also
our Capitol before I returned
home.

I don't know just when I will
go home but some where around
the twentieth of June I guess. I
think I leave here and go back
to the school the fourteenth of
June.

I have been very busy this
week house cleaning and all
through now and I feel
pretty tired.

Oh say when do you expect
to return west?

I want to thank you for
your kind invitation although
I could not go yet I appreciate
you very much and I know I

would of enjoyed it ~~every~~
so much.

Enclousd you will find
the order for the ticket.
which you sent me.

Hope you are both well and
enjoying the beautiful spring
weather.

Again thanking you for
your kind invitation.

I remain
your cousin
Adeline.

This is certify that
Mrs Margery Carpenter of 226 - Md Ave N.E.

condition probably inflammation of
pelvic origin. She needs hospital
