Mr. John Jackson,

Through Supt. Carlisle School.

Sir:

I have your letter of May 26 in which you request permission to withdraw from the Carlisle Indian School, stating that you are suffering from eye troubles.

I referred your letter to Superintendent Friedman and from his report at hand it appears that you requested permission to work under the outing system and this was granted you with the understanding that you would continue the work until the beginning of the next school term in September. It further appears that the present condition of your eyes is not such as to justify your abandoning the work at the outing home where you are now stationed.

In view of the foregoing I do not deem it advisable to approve your request at this time, and you should continue at your present post until such time as Superintendent Friedman shall direct your return to the Carlisle School.

Respectfully,

(Signed) *F. H. Abbott.*
Commissioner.

The Honorable,
Commissioner of Indian Affairs,
Washington, D. C.

Sir:

Reporting as was directed in Office communication dated June the 3rd, I respectfully convey the information that John Jackson requested permission to go to an outing home for the summer months and with the understanding that he would continue with his work until the opening of the new term in September. Under the circumstances it is believed only fair that he be compelled to keep his agreement, unless his eyes should continue to give him trouble. The correspondence attached hereto indicates that his eyes are not in any serious condition, and that every precaution has been taken to keep a careful watch over their condition.

Very respectfully,

Encls.

HKM.

Superintendent.

Hulmeville, Va, May 22

Hon. R. G. Valentine

Indian Commissioner
Washington, D. C.

Dear Friend:

It gives me much pleasure to have the opportunity of writing to you. Well, I will tell you about my condition. I am very critical condition this time of the year.

Last winter I did not go to school on account of my eyes.

My eyes are weak
about one year now.
I have been taking the
treatment regularly for
my eyes, but the treatment
don't do me any good.

Now I think I would like
to go home this summer.
What is the use keeping
me in Carlisle School
for nothing I have been
in Carlisle for eleven
years now. I could not
make any progress because
I don't go to school on
account of my eyes, not

I want my time to expire
in school next month
in June and please
write to Mr. Moses
Friedman Supt. of
the Carlisle School.

I will pay my own expenses
to go home. My ~~home~~^{home} is in
Michigan. No use
for me staying in school
I can not go to school
too much sore eyes.

Please let me go home
in this summer.

Please answer my
letter in satisfaction.

I hope my agreement
will be acceptional.

From your friend.

John Jackson.

Hulmeville,

Pa.
