Mr. Moses Friedman,

Supt. Carlisle School.

Sir:

There is enclosed a copy of letter from Mrs. E. A. Pierce of the Onondago reservation, New York, requesting permission for the enrollment of her granddaughter, Lois M. R. Cook, 12 years of age, at your school. It is noted that Mrs. Pierce states in her letter that there is now enrolled at your school a sister of Lois by the name of Esther Annie Cook, and the records of the Office apparently corroborate this statement.

At your earliest convenience please communicate with Mrs. Pierce with reference to her request and if you find that Lois is eligible for admission to your school, you may enroll her accordingly.

Respectfully,  
(Signed) F. H. Abbott.

Acting Commissioner.
