Sir:

Mr. John Bonser of the Rosebud Agency in South Dakota desires to enroll his three children at this school. They are Orrell, aged 13, Elsie, aged 11, and Leona, aged 9. The mother of the children has deserted them and they would be accompanied to Carlisle by an older sister. Still another sister is now enrolled here.

Under the circumstances I respectfully request that I be authorized to receive the children, providing Mr. Bonser will send them to Carlisle at his own expense.

Very respectfully,

Superintendent.
