FOR FILE.

Sir:

In answer to your letter of October 8, relative to the enrollment of your daughter at Carlisle Indian School, you are advised that the Office cannot transport pupils to a distant State who are under 14 years of age, but it is permissible to transport them to an adjoining State under the following provision of law:

"No pupil under fourteen may be transferred at Government expense to a distant school, i. e., to a school beyond the boundaries of the State in which the parents live, or the adjoining State."

As South Dakota is an adjoining State, if your daughter will consent to attend the Rapid City School in that State there would be no objection to enrolling her there, with the consent of the Superintendent of the school.

The matter has been taken up with the Superintendent of the Rapid City School with a view to sending your daughter there, and he will communicate with you regarding her enrollment.

Respectfully,

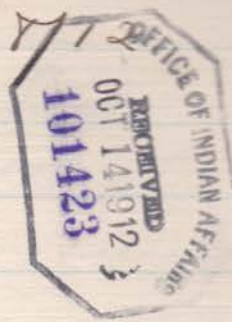

*(Signed) C. F. Hauke.*

Second Assistant Commissioner.

Dear Sir -

I was directed by Supt. C. E. McPartridge, at Browning Montana, and also Supt. M. Friedman of Carlisle Indian School, Carlisle Pa., to get a "Special Permit" for a daughter of mine to attend the said school, Carlisle. I'm an ex-student of Carlisle, under R. H. Pratt, & finished in the year 1890. As my little child Cleanor Pessie Hook being 12 yrs. of age, and under the "age limit" for Non-reservation schools I beg you ~~to~~ to allow her to attend, she is well advanced being in the 8<sup>th</sup> grade, and got all her education in a Public School, at Spokane Washington, but as her mother has

Cash

neglected her and left for parts  
unknown and I suspect am a  
conductor on the Great Northern  
railroad, I can't give her the at-  
tention a father should give, and  
knowing the Carlisle school as well  
as I do, I'd very much like to send  
her there. There is a party of  
students leave for Carlisle the  
20<sup>th</sup> of October, and so am anxious  
to get your permission as soon as  
possible, Hoping to get a favorable  
reply I beg to remain

Yours Respectfully
