Sir:

The Office has your letter of November 1, requesting permission to enroll at your school Edward Elk-eagle, an allottee of the Standing Rock Reservation. It is noted from the correspondence transmitted with your communication that this young man is 24 years of age, and owns an allotment on the said reservation.

Under the circumstances it is believed that the management and improvement of his allotment will offer to this young man a better opportunity for advancement than that which a course at your school might enable him to get, in view of his age, and for this reason the Office declines to approve his enrollment at your school.

Respectfully,

(Signed) C. F. Hauke.

Second Assistant Commissioner.
