Madam:

The Office has received your letter of August 8, requesting that your son, eleven years old, be enrolled in the Carlisle Indian School.

Prior to any action on your request, please advise to what tribe of Indians you or the boy's father belong and under the jurisdiction of what Indian superintendent you would now come. Also your degree of Indian blood and that of the father. Advise also what schooling the boy has had, the grade in school which he has reached, and explain why he cannot to better advantage attend the public schools in Minnesota. On receipt of your reply the matter will be further considered.

Respectfully,

(Signed) C. F. Hawke.

I am writing you in regards to getting my little boy 11 yrs old in at Carlisle school this fall. I am a widow and in such poor health I wanted him in a good school so my mind could be at rest. I went to Carlisle and I know just what a good school it is. Now I see the government want pay transportation under 14 yrs. but I would gladly pay his way if I could get him in there. Let me hear from you in regards to this at the earliest. And Oblige
