FOR FILE

Answering your letter of August 25, in which you enclose application of Mr. Carlos Izquierdo, for the enrollment at the Carlisle School of his son, Carlos, you are advised that this matter has been taken up with the Superintendent, and he states under date of September 19 that he had informed you that he cannot make arrangements to receive this student for the reason that he has not yet reached the age of 14 years? To be eligible for enrollment at a non-reservation school, Carlos Izquierdo Jr. should have reached the age of 14 and have completed the fourth grade. Therefore the application is returned herewith.

Respectfully,

(Signed) C. F. Hauke.

Dear Sir:-

Enclosed herewith I beg to submit for your approval the application of Mr. Carlos Izquierdo of this city, for the enrollment of his son Carlos Izquierdo Jr., which I hope will be favorably taken in consideration.

The writer is a graduated from that School and feels confident that you will do your best to give this child the chance to acquire the excellent training that he will obtain at Carlisle.

Upon hearing from you in regard to the matter, I will attend at this end to make the necessary arrangements so that the child gets safely to the school and also that the money for his tuition is forwarded either to you directly or to the Superintendent of the School, as you may designate.
