Answering your letter of December 11, in which you request to be allowed to return to your home in order to help your parents, you are advised that this matter should be taken up with Superintendent Friedman, who will make proper arrangements for your return home. He has recommended that you be allowed to go, provided, of course, that your transportation expenses are borne by yourself, as is required when students are extended leave.

Your friend,

Sir:

Upon receipt of the Office's letter of December the 11th, regarding the necessity for the return home of Charles A. Peters to assist his parents, an investigation was made. In a letter that was addressed to me by the father of the boy on December the 22nd it was stated that another son is now in a Hospital for treatment and that Charles's aid is required.

Esch

In view of this fact I believe it will be well to release Charles from the school, so that he can return to his home, providing, of course, that he will pay for his transportation from his funds as is required when students are extended leave.

Very respectfully,

Encl.

HKM.

INDIAN AFFAIRS 152263

Dear Sir,

I am writing this letter to you with a heart that you may do something for me. As I feel it my duty to return to my home and help my parents. As I am now twenty-one years of age and have a high grade education

I know that you can be a great help to them. If not along the line of Civilization I can

help them with their
 worldly toils. As they are
 educated but have to work
 for a living. I feel it is
 my duty to help them as
 they have helped me thus
 far. And now that there
 are getting old. I want to
 help and be with them as
 long as I can. as I feel
 that I can not do any to much
 for them. and as I am
 not working at any trade
 and did not go to school
 last winter I would like
 very much to go home
 as I am not doing my
 self or any one any good

I would like to go as soon
as convenient. I thank
you to give this matter
your best attention
and act accordingly as
you would feel if you
were in my stead
As my parents have
asked me to do for this
I am now doing so.
I have been at the school
over three years and
came with my own
free will. And have
nothing against the
school or its works
And do most highly
appreciate what I have
learnt while here. If you
will please write me as
soon as convenient
and let me know what

thinks. I will know then
what to do. I am now out
in the country working
for my board and do
not think I can waste
my time like this
when I may be of some
good to some needy ones.
My home is in the
east in Massachusetts
and my parents are all
noted. As this is all
I have to say I will put
it all in your good
trust to do me some
good

Sincerely your
Chas. A. Peters
