Sir:

I respectfully transmit herewith a letter addressed to me by Mr. Collins Anderson of Browning, Montana, together with a copy of my reply thereto.

In view of the fact that the boys are so near the required age for transfer to a non-reservation school and are so far advanced in their school work I recommend that the Regulations be waived in this special case and that I be authorized to receive the boys as students here, providing the father will pay their transportation and all other incidental traveling expenses.

I would thank the Office to advise me as soon as possible what action may be taken.

Very respectfully,

HKM.

W. H. Lippes
Supervisor in Charge.
