My dear Mr. Lipps:

The Office has your letter of September 8, inclosing an application for the enrollment of Hampton Thomas, a 22 year old Choctaw young man, in the Carlisle School. In view of the fact that students who are less than 21 years of age will probably not have to be deprived of enrollment if this young man is admitted, the Office has no objection to his enrollment, provided of course that his transportation will be paid by himself or his parents.

Very truly yours,

(Signed) C. F. Hauke.

Sir:

I transmit herewith an application for the enrolment at Carlisle of Hampton Thomas, a twenty-two year old Choctaw young man, together with letters which contain favorable reports regarding him.

In view of the fact that students who are less than twenty-one years of age will probably not have to be deprived of enrolment at Carlisle if he is admitted here I respectfully request that authority be granted me to receive him, providing, of course, that his transportation will be provided by him or his parents.

Very respectfully,

HKM.
