Mr. O. H. Lipps,

Superintendent, Carlisle Indian School.

My dear Mr. Lipps:

Replying to your letter of April 11 in regard to Kiutus Jim, it is suggested that you find work for him in some suitable situation and under proper surroundings whereby he can earn sufficient money to pay his transportation back to Washington. Of course so long as he is enrolled he should be required to deposit his moneys with you in order that they may be properly safeguarded. He should be retained at the school only so long as is necessary to enable him to return to his home.

Very truly yours,

*(Signed E. B. Meritt)*

Assistant Commissioner.

The Honorable,  
Commissioner of Indian Affairs,  
Washington, D. C.

Sir:

When the Office's letter of the 8th instant was referred to Kiutus Jim at this school he stated that he has but \$20.00 now in his possession and that he does not have any income of any kind on which he can depend to secure transportation to his Washington home.

In view of the fact that the young man would have to be turned adrift if his release were effected at once it is respectfully requested that authority be granted to retain him at Carlisle until he can be assisted to secure work which will enable him to earn a sufficient sum to pay for transportation to his home.

Very respectfully,

*J. D. Dehuff*  
Acting Superintendent.

Mr. O. H. Lippe,  
Superintendent, Carlisle School.

My dear Mr. Lippe:

In regard to Kiutus Jim, the records of the Salem School show that he was enrolled there in 1907 and has reached the eighth grade. What his prior school record was does not appear. Furthermore, he is 24 years old and if he has anything in him he should be undertaking the real business of life instead of remaining in any Indian school. His record at Salem indicates that he has not made the most of his opportunities there and he should not be enrolled again in a Government school.

Very truly yours,

(Signed) E. B. Meritt
