Mr. A. S. Wyly,
Supervisor of Indian Schools,
Muskogee, Okla.

My dear Mr. Wyly:

Your letter of the 1st instant with reference to the desire of Judge C. B. Bascom to have Jefferson Perry enrolled at Carlisle for the work of our next year was referred to the Office of Indian Affairs without delay and I am now in receipt of a reply as follows:

"In response to the letter of Mr. C. V. Peel, Chief Clerk in Charge, dated August 4, transmitting correspondence in regard to the enrollment at Carlisle of Jefferson Perry, a 5/8 Choctaw young man, 22 years of age, you are advised that inasmuch as the records show that this young man belongs to the restricted class, authority is hereby granted for him to attend the Carlisle School, with the understanding that he will pay his transportation expenses to and from the school. The enclosures to Mr. Peel's letter are returned herewith as requested."

In view of the authority that is granted the young man may now be sent on at any time. The application for his enrollment has been filed and we will arrange to have him begin his studies immediately upon arrival here unless he should arrive before the 5th of September.

Very respectfully,

HKM.

Sir:

I am having transmitted herewith correspondence with reference to the enrolment at Carlisle of Jefferson Perry, a 5/8 Choctaw young man 22 years of age, and it is respectfully requested that I be advised what action may be taken.

If the young man is authorized to come to Carlisle, at his own expense for transportation, there is no reason to believe that any one else will have to be deprived of enrolment on his account.

Very respectfully,

Encl.

HKM.

Chief Clerk in Charge.
