My Friend:

The Office has received your letter of November 5, enclosing one addressed to you from the Acting Superintendent of Carlisle Indian School with reference to your application for enrollment there.

It appears from Mr. DeHuff's letter that you have good school facilities near your home and you have not given any reason in your letter to the Office to show that you are eligible. Therefore, your request to enter the Carlisle School must be denied.

Very truly yours,

(Signed) E. B. Meritt

Assistant Commissioner.

Commissioner of Indian Affairs
Washington D.C.
Dear Sir:

NOV 15 1915

RECEIVED BY G. P. F.

I am enclosing
herewith a letter from
The Superintendent of the
Carlisle Indian School.

Some while ago I wrote
them in regards to entrance
to their school & their
reply was such that
I intended to start for
their school but was held
by an action of the local
health officers because of
Eash

a Scarlet Fever scare.

The contents of the letter I am enclosing seem to indicate that it would be impossible for me to be taken as a student at Carlisle.

Please let me know if there is any way by which I might be enrolled as a student there.

Yours Very Truly
Benj. C. Frazier.

DEPARTMENT OF THE INTERIOR
UNITED STATES INDIAN SCHOOL

CARLISLE, PA.

Nov. 8th, 1915.

Mr. Ben. C. Kreiner,

My dear Sir:

FILED BY G. P. F.

Noting in your letter of the 4th instant that your coming to Carlisle was delayed because of an extensive quarantine to prevent the spread of scarlet fever and that you are yet anxious to come here, you must now be advised that a recent decision by the Indian Office at Washington regarding other students who have enjoyed advantages similar to those reported by you when you applied for enrolment makes it imperative that you be refused entrance here. Some of the students now enrolled who have access to good schools at their homes must be sent home and unless you care to take the matter into consideration direct with the Commissioner of Indian Affairs there is nothing more that can be done here.

Very respectfully,

Acting Superintendent.

HKM.
