Reply
ing to your note of Jan'y 13th which
I received when we took our
weekly trip to our farm near
Media, would say the only reason
I can give for Nellie not receiving
her mail is that our address
there is R. F. D. I. Media, altho

Media Pa. Glen reaches us.

Probably Nellie's letters were not sent in our care & she would not be known alone at the Media Office.

We came to the city - Dec 15th for 3 mos.
& Miss Johnston, Carlisle's former field agent paid us a hasty call on her trip here a few days ago.

Hoping this may explain matters
Sam,

Yours truly
Virginia S. Allen

Sir:

With reference to your letter of December 30, 1918, you are advised that the Office records show that Nellie Thompson is with W.A. Allen, whose address is Media, Pa., R.F.D. No. 1. No doubt a letter sent in his care with the full address will reach her.

Respectfully yours,

Assistant Commissioner.
