Mr. Herbert C. Calhoun,

Supervisor, Five Civilized Tribes Schools.

My dear Mr. Calhoun:

Referring to your letter of June 18, you are informed that such records of the Carlisle School as are still extant are on file in this Office. However, as Carlisle did not carry academic work of high school grade, the credits received there would hardly be of use in securing college entrance.

Very truly yours,

(Signed) E. B. Meritt

Assistant Commissioner.

Sir:

Will you kindly advise me as to the source of school statement of grades or credits earned at Carlisle Institute. There are several Carlisle graduates who are now teaching, some of whom are earning college credits and need statements as to their credits at Carlisle.

After securing this information I will submit a college form for credit statements to the source you direct.

Respectfully,

Herbert O. Dalhous
Supervisor.
