Dear Sir,

I am gathering material for a biography of the members of Walter Camp's mythical All American football teams, and have found the athletic records of the men very helpful. May I ask that you fill in the inclosed forms for the Carlisle men chosen.

Anything you may be able to add under Remarks such as war records, famous plays, interesting incidents or humorous sayings of the men will make the Carlisle section of greater interest.

Your assistance will be much appreciated.

Very truly yours,

The Third B Grade of Saylor School of Des Moines, Iowa are studying Indian life. The children are anxious to come in touch with some Indian schools. I thought it might be possible to get some of the pupils to write to us telling what they are doing, how they live and send us some samples of the things they make. We shall be glad to send postage for any thing sent. Any information will be of great interest to the children and we shall greatly appreciate it.

Thanking you in advance for any favors, I am,
