Mr. Moses Friedman,

Superintendent Carlisle Indian School,

Carlisle, Pennsylvania.

My dear Mr. Friedman:

Thank you for sending me in your letter of July 18 the letters from Mrs. Paxson and Mary G. George. I read them with great interest. One cannot help being struck with the simplicity, clarity, directness, and force of the girl's personality. I return the letters as you request.

Sincerely yours,

(Signed) C. F. Hauke.

Dear Mr. Valentine:

The enclosed correspondence has just come to my attention and indicates such a splendid feeling on the part of one of our Outing patrons, and shows in a concrete way the reason for the great benefits resulting from the Outing System, which is personal interest, sympathy and altruism on the part of the patrons, that I am sending both the letters to you. One is from Mrs. Paxson, one of our good patrons; the other from Mary E. George, who attended Carlisle for a number of years and spent some time under the Outing System, and who is now one of your successful teachers at the Hammon Indian School.

I know you will be interested in reading these communications, because of the fine spirit which is evident in both of them.

Very sincerely yours,

M. J. Medman
