To the Honorable,
The Commissioner of Indian Affairs,
Washington, D. C.

Dear Sir:-

I have this day received from the Superintendent of the Omaha Agency, Nebraska, application blanks for the enrollment of Gertrude Provost as follows:

"I submit herewith application for enrollment of Gertrude Provost, who is past the age limit.

Not being acquainted with what course to pursue to put this application into proper hands, I transmit it to you for instruction. Kindly advise me at your earliest convenience."

E. P. Sch

In order to save time, I am transmitting these applications from this end with the request that they be acted on as soon as possible. I believe that the young lady would make a good student with the training she has received, and the finishing training she would receive at Carlisle would be of great value to her. As your Office is aware, she could take up at Carlisle several advanced courses such as nursing, stenography, etc. Please return the application blanks with your decision.

Very respectfully,

M. J. Friedman
Superintendent.
