home.

June 18, 1908.

The Superintendent,

Carlisle Indian School,
Carlisle, California.

Sir:

Referring to your letter of May 28, 1908, in which you recommend that permission be granted you to send home 15 Alaskan pupils who have expressed a desire to return at the close of the present school year as the period of their enrollment has expired, you are informed that these pupils may be sent home, as requested, and vouchers for the actual and necessary expenses submitted to the Office for approval at the earliest possible date after the conclusion of their journey

The Office knows of no reason why the regular appropriation for the support of the Carlisle school cannot be used in the payment of these expenses, and you ~~will~~ therefore govern yourself accordingly.

Very respectfully,

Acting Commissioner.
