To the Hon. Commissioner of
Indian Affairs
Washington D. C.

Dear Sir: I like to get an
aid from you to get my
daughter Marie Arteshaw^{home} from
Carlisle Pa. School which I
sent there three years ago in
next Aug. I only made three
years Contract when she went
to stay in that school. I wrote
to the Supt. Moses Friedman the
other day asking him to send
her home this Summer and
~~he~~ told me that my Contract
was for five years which I only
made for three years in my ack-
nowledgment. She has been in the

Government schools since she
was about five or six years old
and she is pasted eighteen now
and she wants to come home
now and my-self I like to see
her come home now. And that
is the only child I have, so I
am anxious to see her

Yours Truly
Theresa Green

Reports on
request of Mrs.
Theresa Green for
return of daughter
Marie Artishaw.

June 27, 1908.

The Commissioner of Indian Affairs,
Washington, D. C.

Sir:

I am in receipt of your Office letter (Education 40302-1908) dated the 26th instant, referring, for report and recommendation, a letter from Mrs. Theresa Green, of Odanah, Wis., asking that her daughter, Marie Arteshaw, be sent home.

Reporting on the matter, I have to say that Marie Arteshaw was enrolled at this school on September 4, 1905, for the period of five years. There is on file here a consent properly signed by Theresa Green and Marie Arteshaw, dated August 29, 1905. It is on the regular form used at that time, upon which the period of enrollment, "five(5)years" is printed.. The girl was brought from La Pointe Agency, with other pupils, by Mrs. A. E. Saxon.

Marie has been giving some trouble in the country home to which she went this spring under our outing system, but she has now been transferred to another home where it is believed she will get along well. Her dissatisfaction the past few weeks has doubtless caused her to request her mother to endeavor to secure her release.

In view of all the circumstances, I respectfully recommend

My Friend :

Your letter of the 13th ultimo, asking that your daughter, Marie Arteshaw, be returned from the Carlisle School, was referred to Superintendent Friedman for a report.

It appears that you signed a consent blank whereon the period of enrolment is given as five years, and that, under this action of yours the girl is not entitled to go home until the summer of 1910 unless because of graduation or other sufficient cause she is released earlier.

Very respectfully,
