Dear friend:-

I was very pleased
with the letter I rec'd,
showing interest in the
Returned Students Em-
ployment. 826⁷

I am very anxious
to hold some employment
that will be worth while
to me, but I wish to
be further advanced
in school. So I wish
to return back to Carlisle

in the fall.

I will have to write to the Superintendent at Carlisle before I can return, from what I understand at Carlisle.

I thank you for your interest to me.

Truly your friend
Lucy Lane.
