Sir:-

Your letter addressed to Mr. Sells relative to getting four Indian young men to work at a summer camp, has been sent to me for attention.

I shall be glad to do the best I can for you in the way of furnishing help for your camp but should like to know more as to what you will require of the boys. Where is your camp located? Do you have a booklet which you can send to me? When would you want the boys? What wages would you pay them? Who would pay the transportation?

I enclose a copy of our Outing Rules which while they would not exactly apply to your boys, as you have your own Camp Rules, would give you some idea of our requirements regarding the boys we place out for the summer.

Very truly yours

RABBI MT. NEBESH CONGREGATION

June 1st. 1916.

Hon. Cato H. Sells:.
Washington D.C.

Honorable sir:-

Some days ago Mr. Dudley Field Malone was kind enough to write to you concerning a matter in which I am deeply interested. As the head Of Kamp Kewanee I should like to employ four students of the Government School at Carlisle Pa. They must be men of some athletic ability, fair ball players, although they are not to be employed as athletic instructors. They are also to wait on table. Ours is a boys Summer Camp and we ask for good ball players in order to insure such a team for the camp as will enthuse the boys. I am informed that your department has in the past allowed students to take these positions during the months of July and August. Will you not kindly consider this as a formal application for the services of said students, and advise me as to the method of choice. Perhaps you would be willing to permit the head of the school to designate the men needed.

Mr. Malone will, I think cheerfully answer any questions you may wish to ask concerning myself or my Camp. I am anxious to get these Indian students because from personal contact with the students of Carlisle, made years ago, I am convinced of their manliness, and know that the influence of the school has always made for good character. May I ask for any early reply. I assure you of deep appreciation for any thing you will do for me in this matter. Thanking you in advance for your kindness and courtesy, I beg to remain,

Yours very respectfully,

A. S. Anspacher

P.S. The students referred to are not to be employed as professional ball players, but as Camp employess. The games are purely amateur.

May 2nd, 1916.

Hon. Cato Sells,

Department of the Interior,
Washington, D. C.

My dear Commissioner:

Rabbi Abraham S. Anspacher, a well known
divine of this city, conducts Kamp Kewamee, a summer
camp for boys, at Benton Township, Lackawanna County,
Pennsylvania. He is anxious to be permitted to employ
four Indian students of the Government School at Carlisle,
Pa. as waiters and to take part in camp athletics; that is,
he wants them to play ball etc. but not to act as athletic
instructors. I understand that his application is on
file with the Department, and I am merely writing to vouch
for him. He tells me that he would want these boys from
about June 28th to September 2nd.

I will sincerely appreciate it if you can give his
own request ~~request~~ considerate attention.

Yours faithfully,

Murray Field Malone
